

Artwork must contain at least 80% recycled or reused materials. These include items that are recyclable, “junk”, found objects, or reused materials. Artwork that is primarily, if not entirely, composed of material that would have otherwise been discarded will be accepted. The purpose of this exhibit is to encourage the reuse of a variety of materials in new, different and creative forms.

This non-juried exhibit is open to artists of all ages living in Coconino County or Sedona. Please limit artwork to have no dimension over ten feet in any direction, including the frame or supports. All artwork must be ready for display. The curator reserves the right to make judgement calls for size and quantity based on space available. Artwork should be in good taste and suitable for family viewing.

Please, no use of fossil fuel or electric-powered entries since this exhibit is to promote recycling and resource conservation!

Artists’ demonstration times are available and can serve as an opportunity to sell more of your own artwork.
